Total Strength	1025154										

*This summary is incomplete in that reports from all stations are not included. Only larger stations, or stations representative of a geographical area are included. Fluctuations in strength at some stations, or in some areas may be the result of not having received all of the reports from those stations or areas at the time this summary is published.

Note: Four (4) cases of meningococcic meningitis were reported from the following-listed stations:

Ft. Dix,	N. J.	2 cases
Ft. Eustis,	Va.	1 case
Ft. Monroe,	Va.	1 case
